PRAYER REQUESTS

Rick & Annemarie (Day 21)

The next 2.5 weeks will be full of face-to-face meetings building relationships and connections to open further work possibilities in the future. I would very much appreciate your prayers, that we would make the right connections and doors would be opened, that we would remain healthy with this busy schedule and able to fit in the most important meetings with the right people. Pray also for the training I (Rick) will be involved in next week, that we would communicate clearly and people would grasp and be able to use the information well.

Darron & Susan (Day 8)

We praise the Lord for a wonderful time in the USA! We have just finished packing up the house we were renting and are ready to fly back to Liberia tomorrow. Prayers are appreciated for safe flights and all suitcases to arrive with us, unopened and safe. Prayers also appreciated for Christopher, one of the local Liberia men that Darron works with. He was in a bad motorbike accident yesterday and has a badly broken leg. Please pray for his healing and for his family through this time.

Samuel & Hannah (Day 3)

We would like to thank everyone for your prayer and support while we were in PNG. God has done such an amazing work in Jiwaka, and we are so grateful we could partner with Him in ministry to drug addicts, widows and orphans. We trust that God will use all that we have done over the past two years but now we feel God calling us home for a rest and re-fuel and plan for what is next. We plan to return to PNG in the coming years.

Trinity & Liv (Day 10)

Give praise for a successful finals' week of seminary so far, and please pray for this final week. Give thanks that we have recovered from a significant amount of sickness last week. Pray that we will be diligent to use this Christmas season for family, but also evangelism, discipleship, and establishing resources for the Bible training centre. Our older boys will be singing in a choir at five Christmas concert outreach events, so pray many will hear the gospel and be saved.

Margie (Day 24)

We've begun planning for my return to Romania in March next year. It still feels a little way off, but I know it will arrive in a flash. We have many ideas, but most of all we want to commit our way to God so that *He* directs our steps. Some of the areas we're praying into include:

Changes needed for our TFC Board / Evangelism tools and ways to share Christ effectively / Training for our staff and other NGOs / Building local fundraising partnerships / Strengthening and encouraging the local churches we connect with. All of these are important, and we really want God's wisdom and leading in each area.

Nigel & Nicola (Day 25)

Exciting news! My daughter Emberlea has asked to be baptised! We are so looking forward to it, the Lord willing we will baptise her in early January.

Please pray for the upcoming weekend event in Tauranga in mid-December when I will be speaking at Shoreline Calvary on the Feasts of the Lord.

Richard & Yuko (Day 6)

I (Richard) am planning a trip to NZ in March 2026. My son Gerald and his wife Arkemie will be joining me God willing. We would like to spend some time travelling, thanking supporters, and exhorting God's people to look on the fields which are ripening. Please pray for the perfect timing of this, for good connections and fruit for God's glory.

Pascal & Renee (Day 3)

Thankfully the elections in Mount Hagen are finished and peace seems to have resumed. Thank you for those that prayed for this election, we hope the leaders elected are the right people to lead their districts. Please pray for these leaders that they would lead effectively and not be swayed by bribery.

Stephen & Karen (Day 15)

We have our son and daughter in law, Michael and Alyssa, staying with us for a couple of months. They're enroute to the US for Alyssa to pursue further study, but in the meantime, Michael is waiting on a green card. Please pray for Alyssa's application to Wheaton and Michael's Green card.

Please pray for us as we begin the process of orienting the new field leaders for our region.

Please continue to pray for the Youth group Karen leads. Half of the 20 or so kids are from non-believing families. Pray that they come to faith as they hear the gospel.

Nelson & Rachel (Day 16)

We would love prayer for this busy season of family and friends staying, which is such a blessing but please pray for energy and intentional conversations with those who don't know Jesus. We would also love prayer as Nelson is the speaker for the week at the Bible school YWAM runs here. Pray that God would speak through him and the first three gospels he is teaching on. And I'm also teaching a day on our internship about missionary holistic health. Thank you.

OFFICE MATTERS

End of year mission partner payments. Thank you for your ongoing financial support for our Mission Partners. There are only two more paydays this year. The first on the 1st December and then on the 18th December. Now is the time to plan for their needs over the Christmas holiday period. The first payout in 2026 will be 2nd February. This is quite a long stretch between paydays for our Mission Partners. Please consider their needs during this time when giving prior to Christmas.
