

2021 HANDS UP GIFTS CATALOGUE

Focus on exploited women

Here is another opportunity for you to get a gift for that 'hard-to- buy-for' special person, a gift with a twist as it's not for them but for someone around the globe who needs a Hand Up. We'll send you a card to give to your special person explaining that they have 'blessed' someone much less fortunate than them through your gift.

You'll see we've listed the cost of each option for the relief for one person. This year we are giving you the flexibility to choose the value of the gift you make on behalf of your friend or family member, for any of the HUG options we have listed. The minimum amount for any one HUG card is \$25, but the sky is the limit. All we need you to do is indicate on your response form how much you are giving and how many cards you need.

Cover the cost for a housemaid who has escaped an abusive situation (non-payment of salary, physical and/or sexual abuse) to stay in a safe house for one month. <i>Suggested amount \$100</i>	Buy a suitcase for a housemaid that is returning home without her salary after being enslaved. It is very humiliating to arrive with your things in a black rubbish bag. Your gift will ensure that she returns with a little dignity. <i>Suggested amount \$50</i>	Purchase an air ticket for an abused house maid to return home. Many have been affected by Covid, an economic collapse, and war. Help them get home. <i>Suggested amount \$400</i>	Give one woman a full set of culturally appropriate reusable period products and education. <i>Suggested amount \$26</i>
