EARTHQUAKE SITUATION IN PORT VILA VANUATU

17 December 2024

7.3 earthquake struck near
Port Vila, the capital of Vanuatu.

At least 14 people died

265 were injured.

Over 2000 aftershocks after 7.4

Major damage in local areas

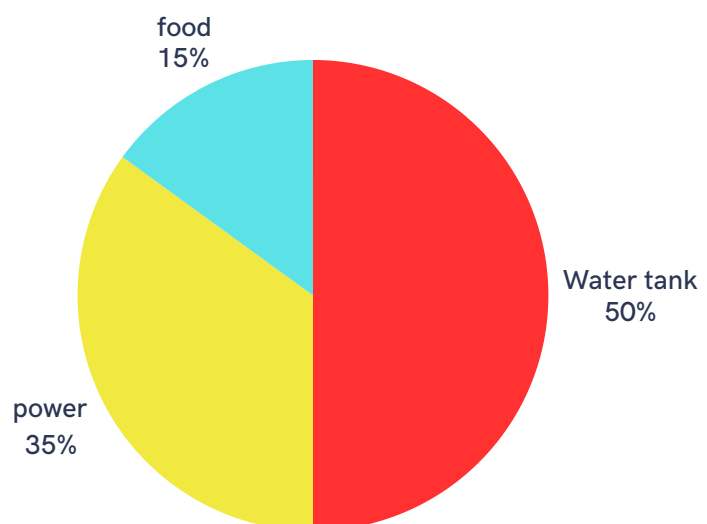

Water Tank

Power (solar)

Food

After massive earthquake, Vanuatu government declared a state of emergency due to possible riot. Also, the government set curfew and stopped all kind of businesses in Port Vila temporarily. It was difficult to get the needs for a short period.

Water tank Delivery Report 1

Details of Delivered Items

1) Items: Three 1,000 liter tanks, one 3,000 liter tank, and four water taps

2) Supported area: South Efate Island Theoma (4locations)

3) Distribution List

- Mama Mary Family: 1x1000 + 1 water tap
Reason: The well they were using was cracked during the earthquake
- Mama Rose Family: 1x1000, 1 water tap
Reason: They were using old and rusted drum as a water container and it was broken
- Elder Ian Family: 1x3,000 + 1 water tap
Reason: The coral and cement well they were using had a damaged base.
As a community area where people live together 3,000 liter tank was supplied
- Nauratop Mission House: 1x1000 + 1 water tap
Reason: The water tank was broken by the earthquake

EXPRESSION OF GRATITUDE

by Moses Jung

We extend our heartfelt thanks to GC3 for your generous support, which has been a great help in collecting drinking water after your love and care, shown through both material assistance and prayers, as you have not forgotten our brothers and sisters in Vanuatu. Thank you once again for your valuable support.

-Moses Jung (Presbyterian Church of Vanuatu)
